

## Cookies Information

### Cookies

Ti.Pi.Ci. uses cookies profiling (own and other sites) to provide the best browsing experience and offer advertising content in line with your preferences ('Cookie Policy').

Continuing the navigation on the site you consent to the use of cookies.

### What are cookies?

A cookie is a small text file in which collects brief information related to a user on an Internet site and stored on the device that had access to the site.

Cookies do not damage the device and allow us to provide a better navigation and faster on our site. Any additional information, such as those that allow us to submit advertising messages, are stored only after a your explicit consent.

### Types of cookies used

Our site uses cookies technicians who are the ones that allow you to access the functions offered by the website, without which certain services are not available (cookie navigation) or that are used by us to collect aggregate information regarding access to the site ( cookie analytics).  
Th  
ese cookies are deleted at the end of browsing session (then at each closing of the browser).

### Browser settings with regard to cookies

You can allow or disallow the use of cookies on your computer. However, not all features of this Site may remain operational if one or more cookies were disabled (some cookies are essential for the basic functionality of the Site).

The settings for this choice can be checked and changed in the preferences window of the browser.

Select your browser below for information on how to change your cookie settings.
